PROFESSIONAL SUMMARY

Detail-oriented and highly adaptable Executive Virtual Assistant with a background in law, operations support, and digital communications. I bring a unique blend of structured thinking, discretion, and execution excellence, developed through legal training and cross-functional professional experience.

Skilled in calendar and inbox management, stakeholder communication, research, document preparation, and workflow coordination, I support executives by creating order, improving efficiency, and ensuring seamless day-to-day operations.

I am known for my ability to anticipate needs, manage competing priorities, and communicate clearly across teams, while maintaining a high level of professionalism and confidentiality. I thrive in fast-paced, remote environments where precision, initiative, and reliability are essential.
